Part of the Regulations of the Libraries of Shiraz University of Medical Sciences

Users/Members

- Educational and retired staff
- Students working to study
- University staff
- Educational staff, university students and staff members can use library resources provided they are members.

Note 1. The retired teaching staff may become a member of the library by presenting a letter of intent from the college's deputy education department and presenting a valid identification card.

Note 2. The teaching staff of the University, in the case of presenting a letter from the relevant group

manager during the teaching, can use the library resources.

Note 3. The contract and corporate staff working at the university may use the library if they provide a valid work order and a valid letter of introduction.

Note 4. Provision of services to students of free and non-profit universities is prohibited

Circulation

The use of library resources and facilities is subject to the presentation of a library membership card, and resources are solely lent to the cardholder. In the case of borrowed resources, only the liable borrower is accountable. Therefore, the Borrower is required to carefully check the resources and, in the event of any defects being discovered, immediately inform the liaison desk officer. Otherwise, it is required to pay damages from the library.

Individuals can use the resources of other university libraries if they are members of the relevant library, subject to the following conditions:

A. The use and lending priority of the resources of each library is with the members of the same library and the user is initially obligated to provide resources from his unit.

B. The library has no obligation to provide study space and other facilities to members of other libraries.

A delay of 7 days will be calculated for each daily deposit of 1000 Rials. A delay of more than 7 to 15 days for each daily deposit is calculated in the amount of 2000 Rials. A delay of more than 15 days for the first warning and after 15 days will result in a suspension and non-service for 2 months. Obviously, the member will be deprived of borrowing the book until the amount of the fine is paid. If the delay is repeated more than three times, the borrower will be deprived of membership of the library for one semester, and if the membership card is repeated, the person will be canceled

Pony

Members of the faculty should pay a bill for retirement, redeem, mission for more than three months, studying time, or transfer to another university with the relevant library. Students must receive a form of payment from the library upon graduation, transfer or guesting to other universities. University staff should pay a bill for retirement, redeem, and transfer to other universities or long-term leave with the relevant library.
